### Welcome

Our physicians and staff of medical professionals are devoted to providing you with the most up-to-date and best medical care available. Our eleven doctor group has the most experience in the Metro area in addressing the obstetrical and gynecological needs of our patients. We are there to see women through adolescence, the reproductive years, pregnancy, menopause and beyond.

Dr. Gigi Girard

#### Dr. Gigi Girard

Associates in Obstetrics & Gynecology is pleased to announce the addition of Dr. Gigi Girard to our practice. Dr. Girard, is a Louisville native, received her medical degree from the University of Kentucky and completed her residency at Exempla St. Joseph Hospital in Denver, Colorado. She has been practicing obstetrics and gynecology since August of 2004. Dr. Girard will be available for patient appointments January 2, 2006.

Dr. Girard has dual citizenship in the United States and Australia. Prior to medical school she studied public health at the University of Western Australia and spent time working in Aboriginal medical clinics in Western Australia. Her hobbies include running, skiing and bikram yoga.
